COFFEE

Espresso Horizonte blend 90% Arabica Guatemala e Colombia 10% Robusta Guatemala e Rwanda roasted by Perfero caffè	1,50
Espresso specialty single origin Specialty and selected roasted by Perfero caffè and by roasters on rotation	2,50
Filter coffee <i>selected coffee extracted in: V60, Chemex o Aeropress</i>	4,00
Cold Brew	4,00

The “filter coffee” is a longer extraction of the espresso, served in a large cup, which allows you to obtain a coffee to be tasted slowly, so as to better perceive its aromas and appreciate it even during cooling.

The Cold Brew, is its version obtained with a cold infusion, served with ice.

A SPECIAL EYE ON COFFEE

We give coffee the same respect we give the rest of the meal, so that it lives up to the other courses.

Perfero is the roastery we primarily collaborate with, but we also host others on a rotating basis, to introduce you to the different facets of this new, growing world.
